## *Dedication*

To his track boys, students, alumni, and fellow teachers he is known affectionately as "Pappy." During his twenty years of service to Burris School and the community as teacher, Boy Scout leader, and good citizen, he has been the inspiration that kept us going when we felt like giving up.

The famous Myers' maxim, "*If you're going to win, you've got to put out*" has never failed to spur us on.

It is with sincere admiration and respect that we dedicate the *1958 Oracle* to MR. ERROL G. MYERS.

## CROSS COUNTRY

Coach Errol Myer's harriers got off to a bad start, but came through to win the Conference and the Shortridge Invitational. The team was paced by seniors Darrell Shock, Steve Turner, Jack Love, Dave Johnson, Bill Ehrhardt, Otto Beebe, Jack Loose, and Phil Dawkins. Shock placed third in the CIC in an upset victory.

Others on the team were Alan Marsh, Ken Huffman, Carter Sims, Ronnie McVey, Larry Schulhof, Steve Slavin, Frank Schwartz, Kenny Raisor, Jon Burkhardt, and Alan Wilson.

The freshmen team had an outstanding season with high hopes for the future.

## VARSITY BASKETBALL

Our Golden Owls of Muncie Burris spent many nights after school practicing, playing their hearts out at every ball game, and carrying the hopes of every loyal Burris fan. The Owls turned in a fine season—they pulled an upset victory over Elwood, winning the Conference Silver Horseshoe. They made a fine showing in the Muncie Sectional Tourney.

The boys kept a high spirit all season, backed all the way by a loyal cheerblock and student body.

Rex Rudicel, with the help of his new assistant, Paul Stoppels, coached the team. Five of Rex's boys will graduate this year, but hopes for next year look bright.

# BURRIS SWIMMING TEAM

This year has been a building one for the Burris swimming team. Although it has been a building year, it has been a successful one. The swimming team placed second in the Burris Invitational and went on to place sixth in the state. The medley team of Huffman, Dawkins, Walker, and Ehrhardt also placed sixth. Coach Korsgaard will lose Ehrhardt, Rhodes, and Dawkins by graduation. Mr. Jacobsen worked with the team as diving coach.

Listen Marilyn, here's some friendly advice. You are dating below your standards. - your father should spank you for going to parties not held at his hotels. Really, I think

Do you know what this is? Turn to page 74 for the answer.

P.S.S. Pity young lives  
 + quit eating cold  
 pizza + spaghetti.

You should seriously consider my brother. A match between a Wrigley + a Hilton would be terrific.

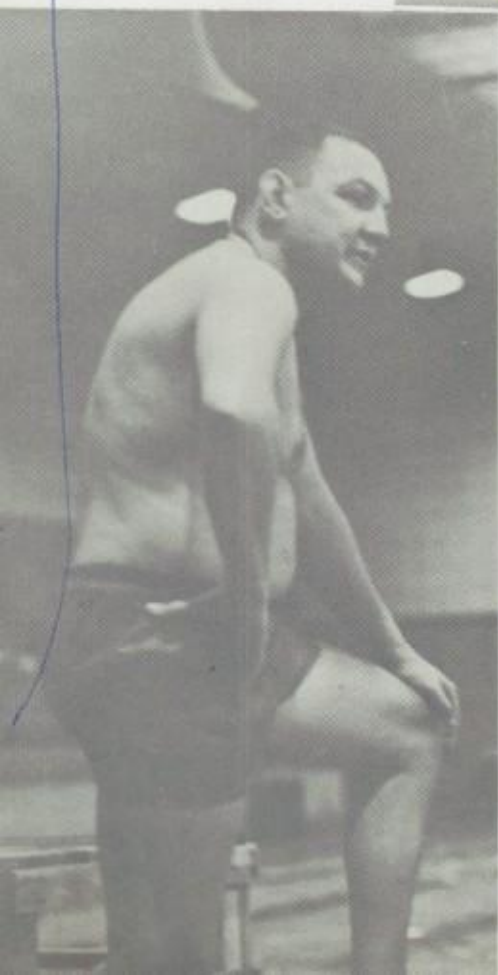

While you're with that teacher's son this week-end

Well, I'm running out of things to say. Next yr. I won't have this trouble because of our stamp.

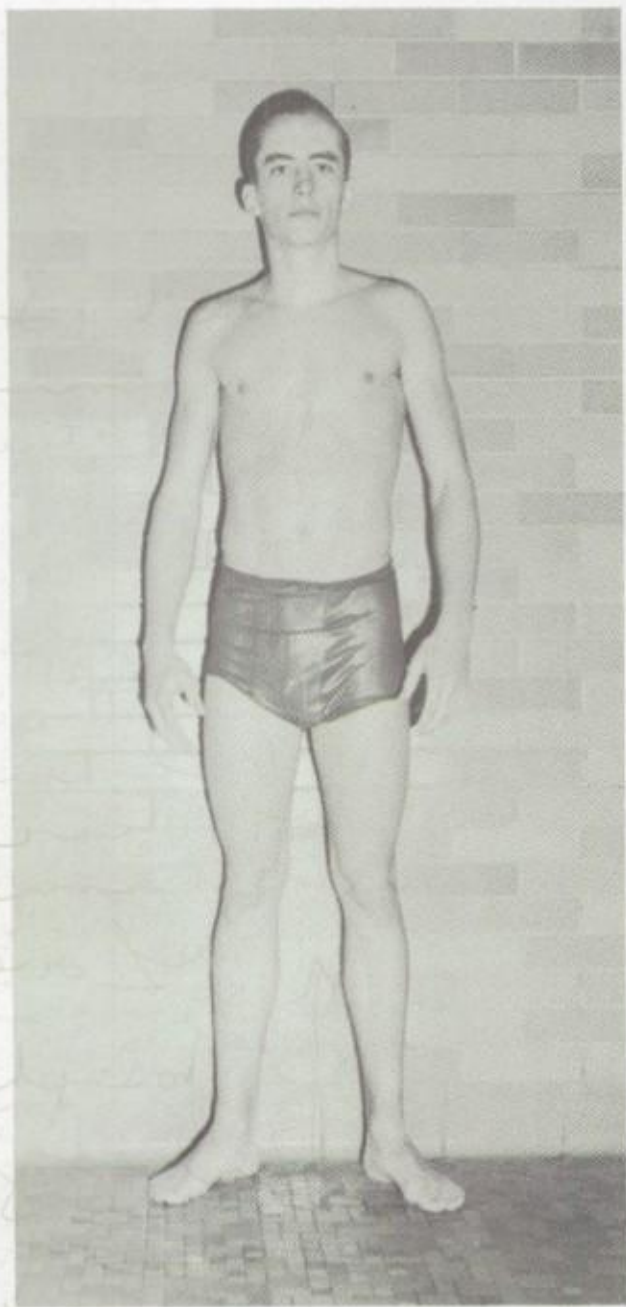

Love,  
 Josephine Wrigley

P.S. We've had some swell nights to gether. You're a grand bed partner, especially when there are 3 or 5 in the bed.

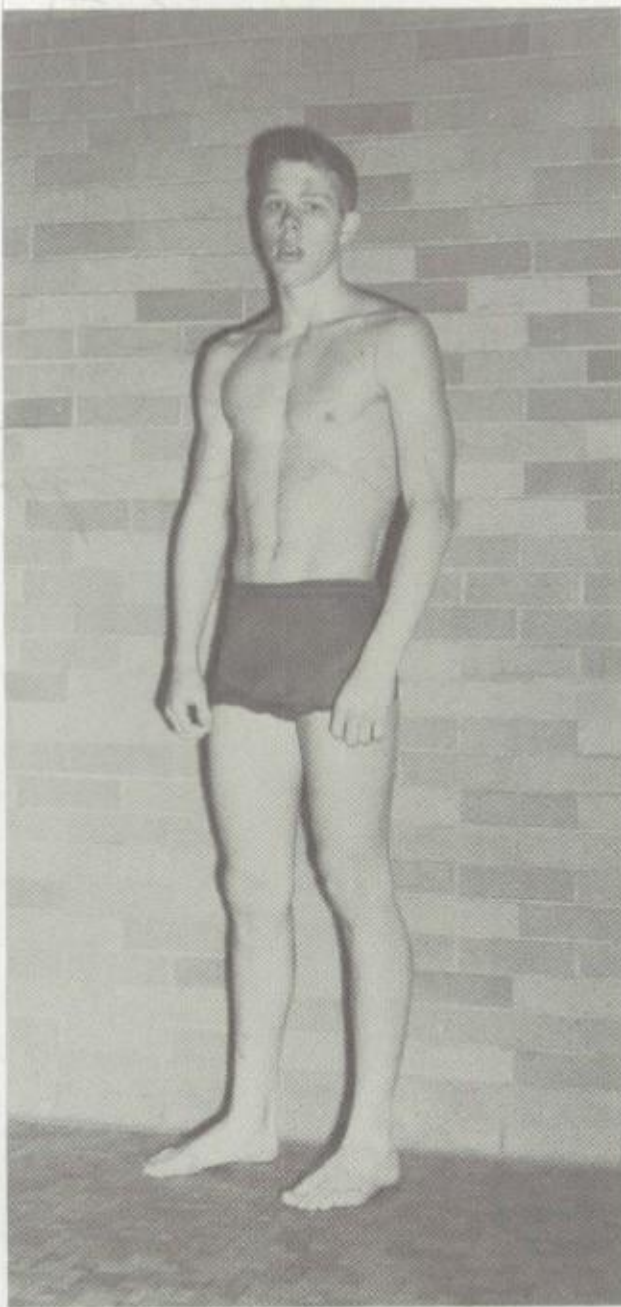

I'll be at Crosley with a bunch of them. Of course, I won't speak to them if they are below my class dahlings - just like I ignored those country boys at the drive-in.

#### TENNIS TEAM

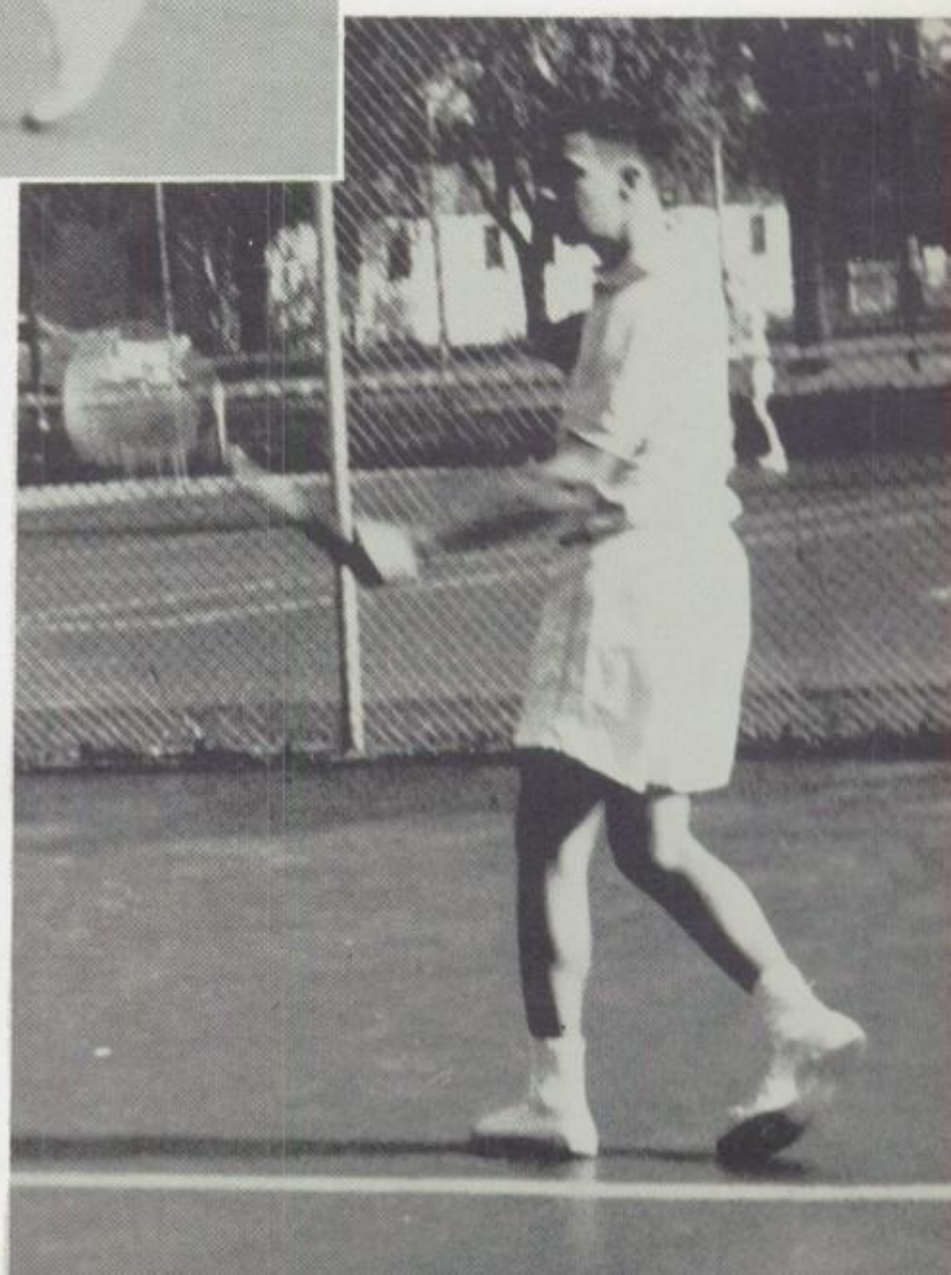

This year was a successful one for the tennis team. The 1958 season began with a new coach, Paul Stoppels. Returning seniors were Bill McIndoo, Bill Spencer, and John Desmond. Juniors were Alan Marsh and Arthur Rettig.

The Owls placed second in the Burris Invitational and won the coveted first place position in the CIC for the fifth time. Bill McIndoo was number one man in the CIC.

the fun we've had together, you have to come up and see me in Chicago. The boys are terrific! Wait and see! Get gerry to fix me up for a dance down at Washash - we would really have a panic together playing in the same room (the pair of us!!)

Don't forget to write me more than six times a year! Only kidding of course. Be good, - you terrific girl!  
Love ya, [unclear]

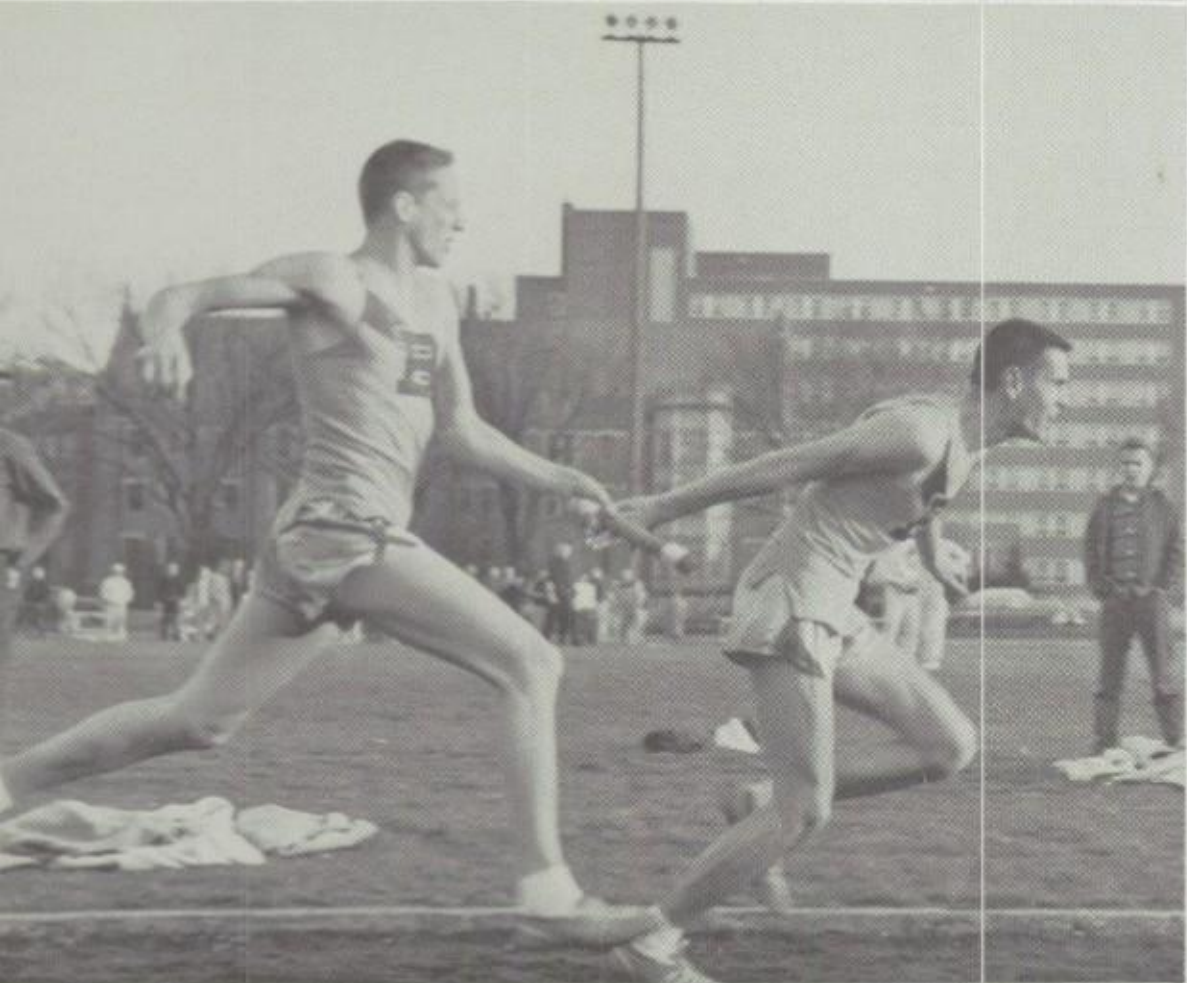

## TRACK SQUAD

Although hit hard by injuries, Coach Myers had surprising strength and depth with this year's track team. Sprinter Otto Beebe had a fine season, placing high in many meets and going on to the Regionals. The mile relay team of Steve Turner, Darrell Shock, Carter Sims, and Otto Beebe did exceptionally well all season long and won their event at the Sectional. Many underclassmen were used this year in hopes of their gaining experience for next year.

### BASEBALL TEAM

The Burris baseball team, under the direction of Richard Bonvechio, who is now living in Florida, represented Burris with one of the best teams in the history of Burris baseball.

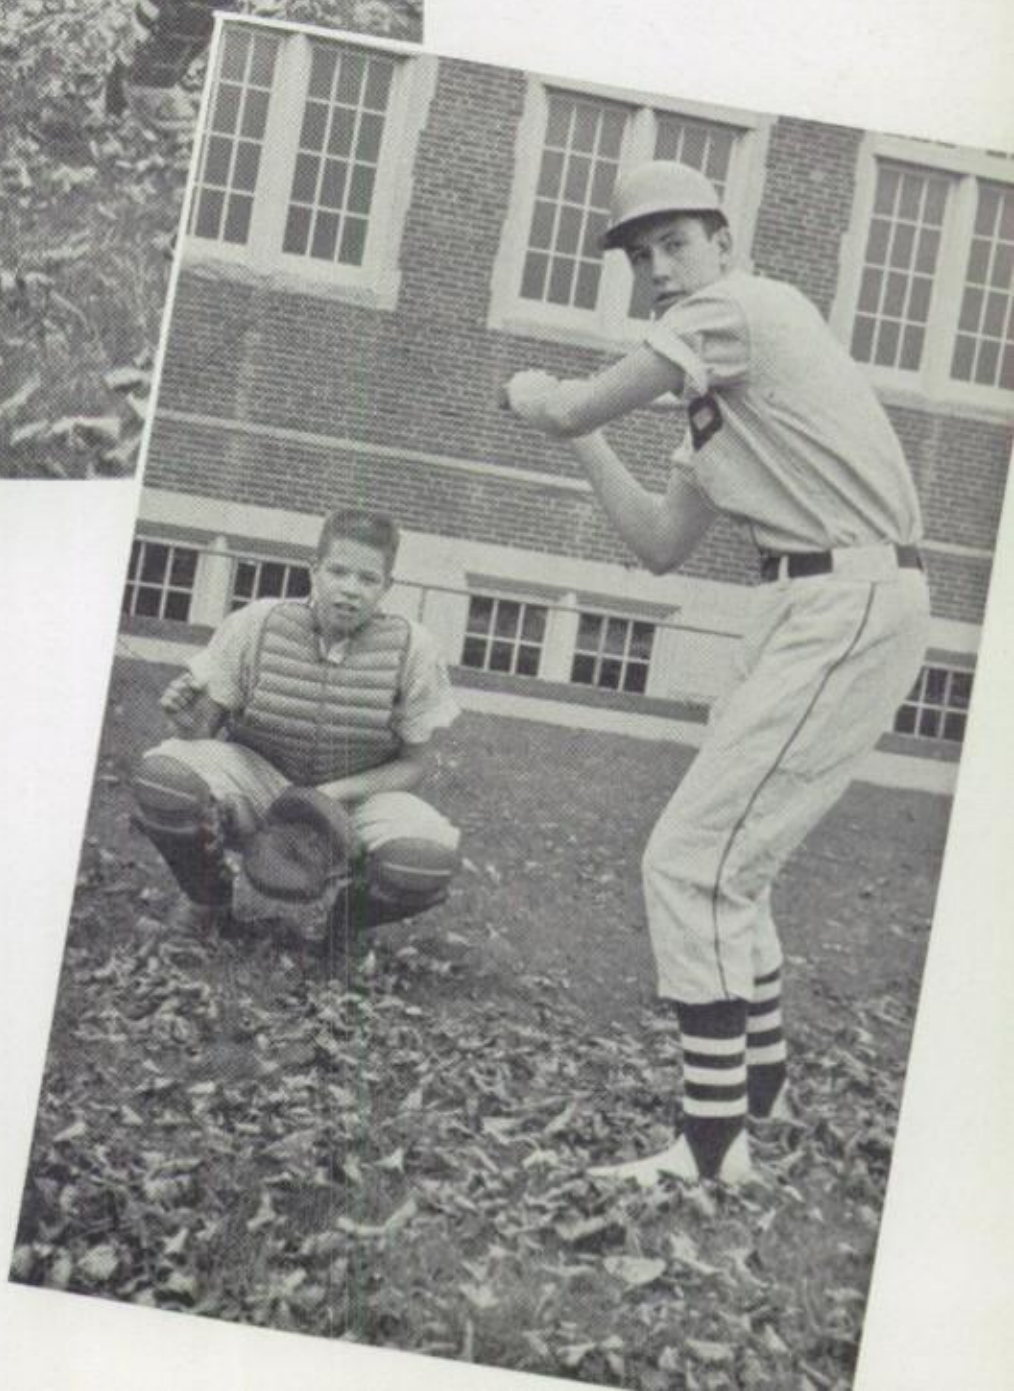

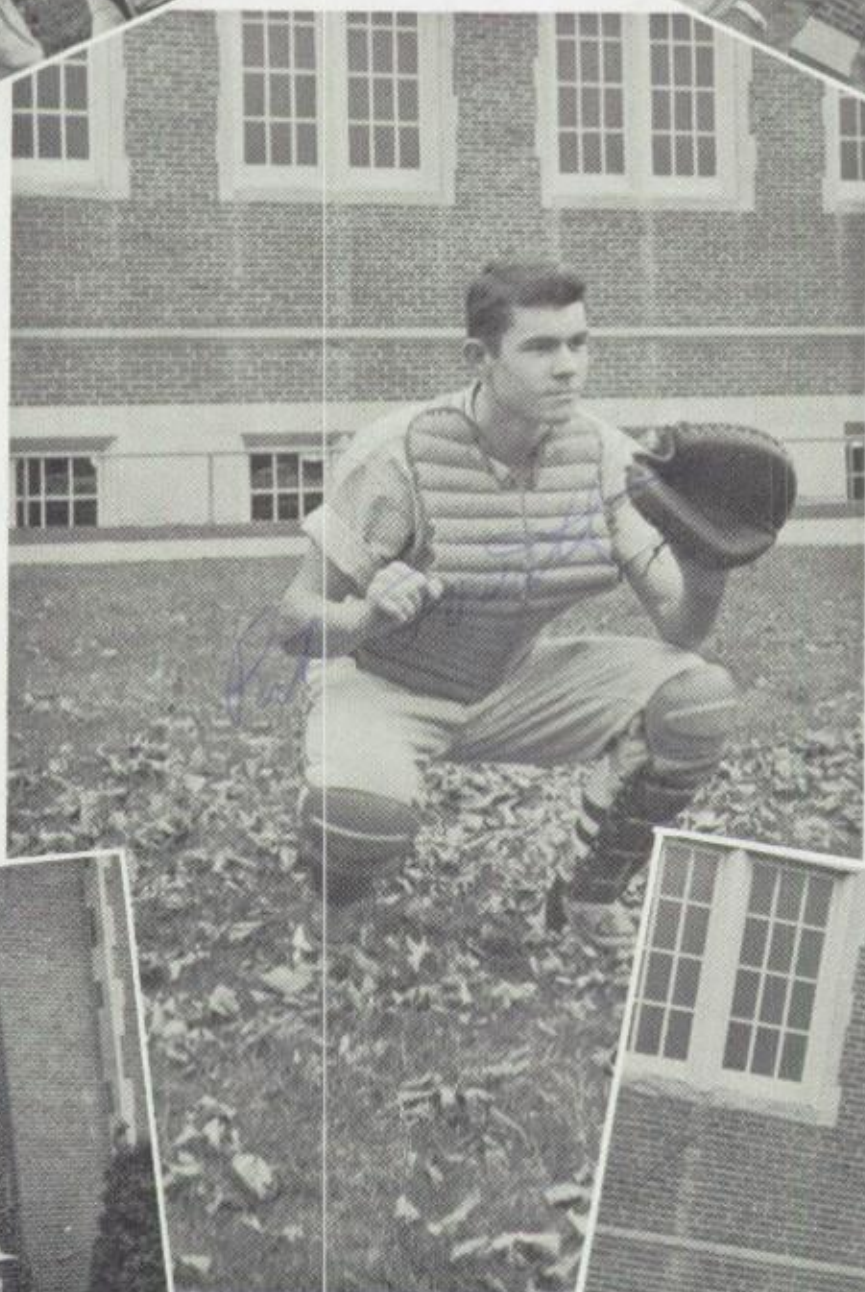

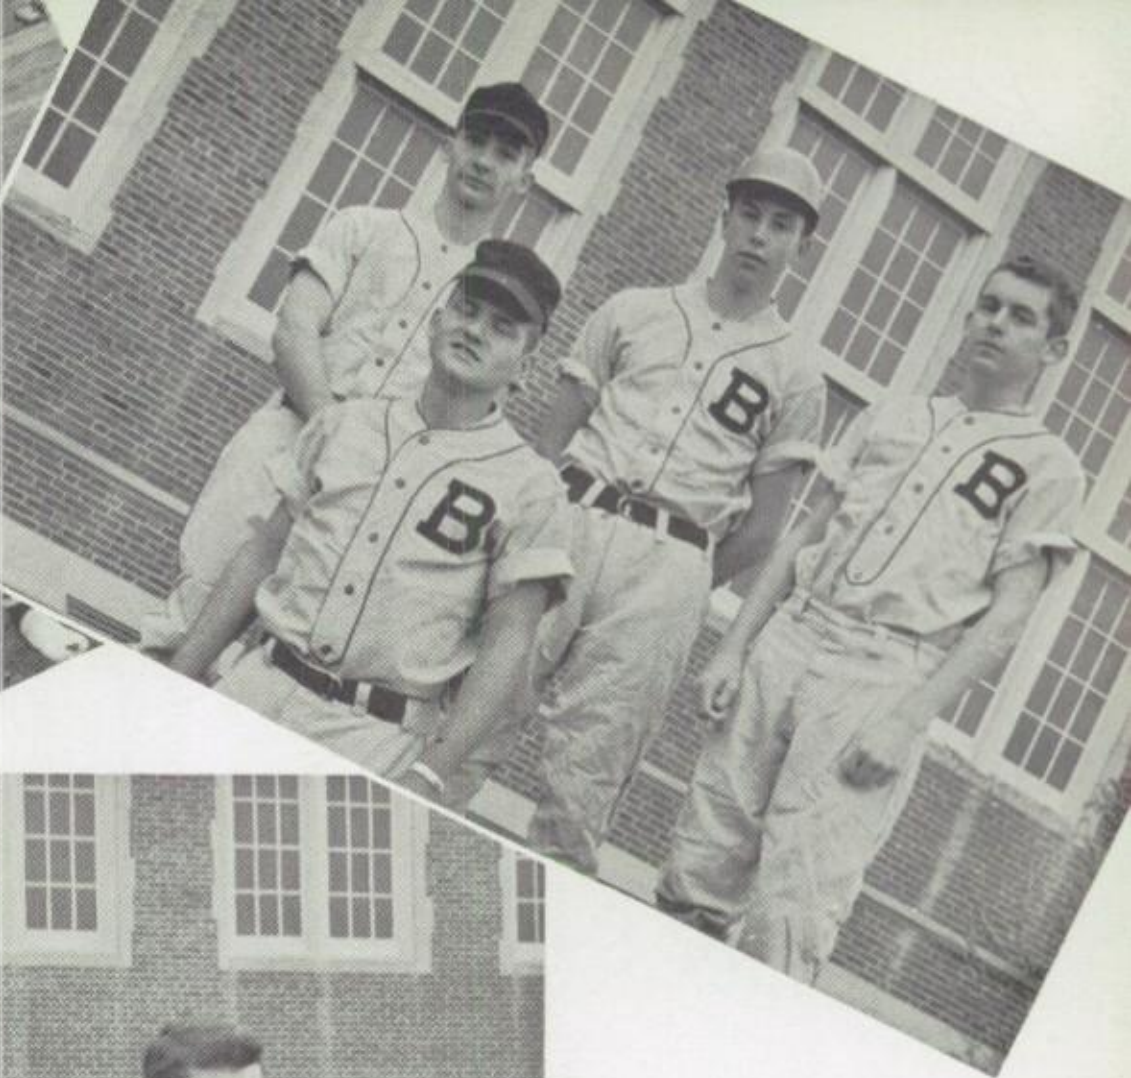

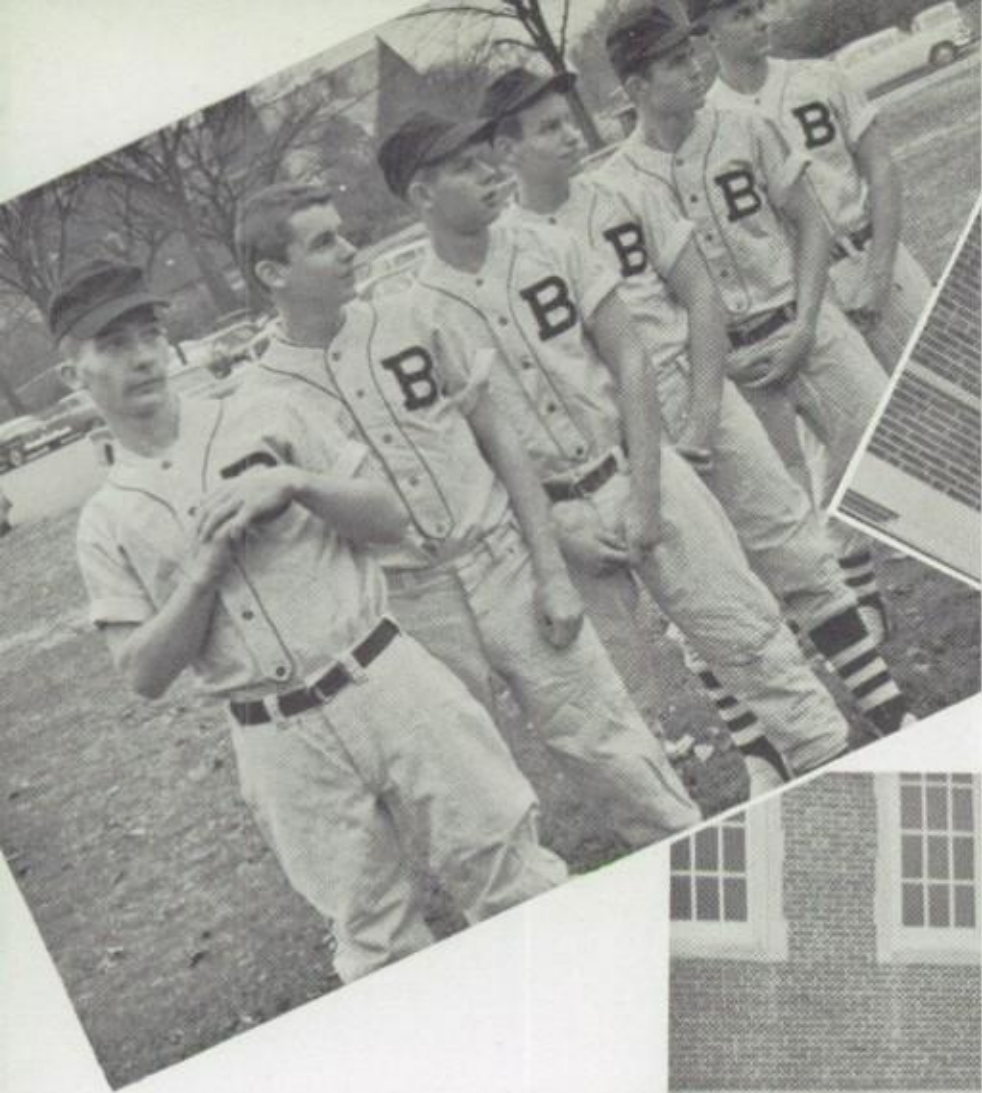

Getting off to a slow start, the Owls came on strong at the end of the season to finish third in their league with a record of 8 wins and 3 losses.

In the play-offs the Owls won their first game over Daleville but were defeated by Royerton 10-9 in the final game.

Pat Tovatt, junior, topped the pitching department with a 4-1 record, while senior, Bob Johnson, was the team's leading hitter with a .515 mark. Centerfielder, Bruce Burkhart, finished his senior year playing errorless ball.

Seniors are Bruce Burkhart, Jim Aul, Charles McPeck, Bob Johnson, and Bill Spencer.

## ORACLE STAFF

The Oracle staff this year chose an underclassman to work directly under each senior editor. This was done so that next year's editors will have the experience and know-how to publish a top-flight yearbook.

The ten editors, along with their co-editors, have worked diligently through the activity period on Thursday and many nights after school to put out a yearbook that will picture all the happy moments of high school when looked back upon years from now. Without the help and advice of the faculty sponsors, Mr. Anthony Tovatt and Mr. Richard Kishel, none of this could have been done.

BURRIS HIGH SCHOOL  
MUNCIE, INDIANA

Graduation Day, 1958

Dear Mom and Dad:

Well, here I am at the end of my Senior year; in just a little while I'll be a graduate of Burris High School. Golly, I can still remember the day you took me to school to register. I looked around at the other kids and all at once I was excited, and pleased, and scared. I remember the scraps I got into, but you were always there, trying to understand my mischievous nature.

Gee, that was an odd time when I started noticing people of the opposite sex were different. The boys began to grow whiskers and the girls began to look like women. You told me how to dress and act on dates, but I, the big adult in Junior High, had ideas of my own. I remember I took two hours to get ready for my first formal dance and my ears turned red when you gently teased me about my meticulousness!

I finally made it to high school. I began to dress like an adult and paid less attention to radical fads that often left you displeased. I began to take part in high school activities and words like term reports, semester exams, tardy slips, and prom bids were added to my vocabulary.

Remember when my bugs for Sophomore biology got loose in the house? That was even worse than the day my experiment blew up in chemistry class during my Junior year. Our boys were winning letters then and dreaming of the day they would proudly display their blue and gold jackets. The girls were trying out for varsity cheerleader and being elected queen of various events. We had some good talent in the band, orchestra, and choir; in fact, we were doing well in everything.

That really was great on my sixteenth birthday when you showed me how to drive. Remember how I practically counted the days until I got my license? I'll bet your heart was in your throat when I zipped out of the driveway on my first solo flight with the family car. But you can never realize how on-top-of-the-world I felt when you let me use the car for the Spring Dance.

Of course, it wasn't all glory. I remember how sad I was when my "eternal romance" ended in the spring of my Junior year and I got my class ring back.

Last fall I registered for my Senior Year—that fabulous, mythical year I'd heard so much about. When I wasn't writing term reports or filling out endless correspondence for college, I was having a ball. The greatest event of the year was the Senior Trip in November. Those seventy-two sleepless, active hours will always remain as some of the most memorable hours I have known. From the train to the fabulous life in New York and back to the train, we enjoyed every minute. I was glad, though, that Wednesday when you met me at the depot and took me home to "sack" out.

Then came the operetta, basketball, and the Senior Play. Now the guys had their honor jackets, the girls were in block, and several class members were presidents of the many clubs in and around Burris.

Finally, I am ending this fabulous year. Most in the class will go to college; some have decided to go into the services, and others are going right to work. We've had our final exams. The Junior-Senior Prom is over. Boy, I had a great time *that* night!

You're probably wondering what prompted this hurried letter. You see, I began to think back and wonder how I'd ever made it. I'll tell you how, Mom, Dad. I made it with *your* help. Your praises, your suggestions, your occasional lectures, and your pep-talks put me where I am right now. Gosh, Mom... Gee, Dad... Thanks. Nobody could be as proud or as lucky as I am today.

Well, guess I better go now. It's only twenty minutes until commencement exercises begin. I'll be looking for you out of the corner of my eye.

Love always, *Your Senior*

I say.  
 We sure have  
 missed you this  
 year. You and all  
 your laugh no. I hope  
 that next year we  
 are all made up for  
 it. It would be so  
 good to have you

 Have fun and

Kay-  
 You are a real sweet  
 girl. We missed your  
 funny jokes this year.  
 But you do have to  
 stay home & take care  
 of your self.  
 You really have a  
 sharp figure. You have  
 loads of fun this summer.  
 And we all hope to  
 see you next year.  
 Watch out for all  
 those college "boys". Don't  
 hook up to a real  
 congaad/kid.
